REPORT

Name of the activity: Distribution of masks

Date: 16-11-2020

Venue: Panyam & Nerawada Nandyal

Organised by: NSS team members SRCP

In this pandemic condition to avoid the spread of Covid -19, our institution with NSS team had distributed face masks to people living in rural villages on November 16th, 2020. Staff and students had taken a part in the distribution of face masks in villages **Panyam and Nerawada**. Our faculty and students went to villages in **different teams** surrounding to our college and distributed the masks to rural people. And our staff had given awareness to the people on proper usage of masks including how to wear, how to change mask and how to dispose masks properly.

Villagers thanked our institution and staff members for this initiation and for the distribution of face masks.

7.1.3.(4) ANNUAL REPORT BEYOND THE CAMPUS ENVIRONMENTAL PROMOTIONAL ACTIVITIES FOR THE AY -2020-2021

For the academic year 2020–2021, Santhiram College of Pharmacy organized environmental initiatives outside of school. Students took part in a campaign at Kowluru to raise awareness about the dangers of plastic through **Anti Plastic awareness Program**. All of the students had actively taken part in spreading awareness about the negative effects of using plastic and plastic pollution, as well as the need to limit its use in order to create a clean, green nation based on the idea of Live and Let Live policy.

Additionally, five -day **Clean and Green programme** including both internal institution activities and promotional efforts in Nerawada was done as part of institutional procedures to raise awareness of plastic. During the covid situation staff are actively participated in preparation of Immunity Booster formulations, Sanitizer formula preparations and distributions to the front line warriors in lockdown situation. Management had appreciated the efforts of staff in contributing help to the society. It is a great opportunity to serve in right time to the society being part of health care profession.

26-10-2021

Anti Plastic Awareness campaign was conducted at Nerawada Junior college and Gurukulapatashala Nerawada. Mr.K.Ravi Kumar and Mr.K.Sampath kumar had co-ordinated the programme and given awareness to the students regarding the plastic pollution and preventive measures to avoid the pollution and make country pollution free. It is further advised to all the students to utilize Paper Bags or cloth bags replacing the plastic bags and to carry bags on their own.

Programme is helpful to the students and society to prevent drastic usage of plastic and play role to maintain clean and green environment.

7.1.3 (4) ANNUAL REPORT – BEYOND THE CAMPUS ENVIRONMENTAL PROMOTIONAL ACTIVITIES FOR THE AY -2021-2022

Santhiram College of Pharmacy had conducted Beyond campus Environmental activities for the AY-2021-2022. Students had participated in **Anti-Plastic Awareness Campaign** in the month of October 25th at Kowlur. All the students had actively participated in Educating the people about the Effects of using Plastic and plastic pollution and created awareness to ban the usage of plastic to build the nation **Clean and Green** with a concept of Live and Let Live other things. Additionally, five -day Clean and Green programme including both internal institution activities and promotional efforts in Nerawada was done as part of institutional procedures to raise awareness of plastic. In continuation of the previous year sanitiser preparation and formulating the immunity booster to the needy people. We prepared and distributed to the citizens of Nerawada .In this Pandemic situation all the people had used Disposable masks .In this situation our SRCP in association with NSS team we had distributed and counsel the citizens the right pathway of disposing the used masks. We visited the places like Panyam, Kowluru, Nerawada and Balapanuru and had explained the problems that may occur due to improper disposal of masks that may harm animals and plants and causes the pollution.

Outcome of the programmes is to create awareness in steps taken to protect earth and prevent pollution
