A PROGRAMME REPORT ON

TREE PLANTATION

Venue: Santhiram College of Pharmacy

Date: 8-08-2017

On 08th August , 2017, SRCP successfully completed the event of Tree Plantation under the National Service Scheme at college campus. Trees are the foremost source for producing the oxygen in environment, they helps to reduce the level of CO₂ .

In this event we planted Aloe vera, Tulasi, Sabja, Black berry. Planation by all including teachers, volunteers was more than 15 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

Plantation by students on Tree Plantation Day-08-08-2017.

PROGRAMME REPORT ON

NEERU - CHETTU

Venue: Santhiram College of Pharmacy

Date: 14-03-2018

In our college we are conducted the neeru-chettu programme on 14-03-2018. In part this programme we plantation of above 100 plants. Our chief guest is our beloved chairman Dr.M. Santhiramudu garu and our principal Dr.C. Madhusudhana Chetty garu participating in this programme. And chairman said the global warming is raises due to the lack of trees so plantation programme are conducted twice year.

Why Neeru-Chettu

- Ground water levels are depleted to a depth of 1000 feet below ground level in most of the areas and water levels are to be stabilized and improved.
- Need to provide assured water supply to irrigation, drinking and industrial purposes.
- Need to provide the lifesaving irrigation to drought prone areas especially Rayalaseema Region by providing mobile sprinklers if required.
- Need for scientific management of water resources to ensure more crop per drop of water.

PROGRAMME REPORT ON WORLD EARTH DAY

(Protect Our Species)

Venue: Santhiram College of Pharmacy

Date: 22-04-2019

Earth Day is celebrated all over the world on 22nd April every year. This day was established for spreading awareness about the environment and its safety. Teachers and NSS volunteers and III B.Pharm Section A students celebrated National Earth Day on 22nd April 2019 and encouraged everyone towards environmental preservation. Some volunteers planted saplings and watered the plants. Teachers also participated in it.

In this event we planted Aloe vera and Indian long pepper trees planted by all others including teachers, volunteers was more than 15 on the day. All were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.

Plant a green tree and live younger.

A PROGRAMME REPORT ON WORLD EARTH DAY

(Living Sustainably in Harmony with Nature)

Venue: Santhiram College of Pharmacy

Date: 22-04-2022

Due to global warming, overpopulation and other environmental issues, our planet is in crisis and every person on this earth must take a responsibility to do as much as they can to preserve our earth's natural resources for today and for the future.

No matter when we celebrate Earth Day but, it's a message about our responsibility that we all share towards the environment and our planet earth. Celebrating Earth Day serves as a conscious reminder of how fragile our planet is and how important it is to protect it. We celebrate Earth Day to continue promoting environmental awareness and to remind us that we can protect the earth in our everyday lives as well.

In this event Our Beloved principal Dr.C. Madhusudhana Chetty, staff and II B.Pharm Students and NSS volunteers are actively participated. All staff, students along with principal plant siblings of various plants such as Pomegranate and Wheat grass in our garden

Protect your Earth, Protect the Greenery.

Elocution by our student on world earth day -22-04-22
