REPORT

Santhiram College of Pharmacy has organized Workshop on ‘Pharmacy Practice Software Training Programme’ on 13-04-2018 in the name Mahaashadi Parikrama.

The session was started with inauguration by the Dr. D.V. Ashok Kumar, Director, Santhiram Group of Institutions and Dr. C.Madhusudhan Chetty, Principal, SRCP.

The session was delivered on the topic ‘Pharmacy Practice Software Training Programme’ for Pharm.D Students by Dr. Hari Kumar. The session was focused on importance of Clinerex software and how it facilitates the students in having E- log book, drug information, research articles, drug information, profile addition and also making ADR reporting and intervention forms.

All the students were actively participated and trained how to use Clinirex software and shared their views with the resource person.

OUTCOMES:

The session was found more informative for all the students and faculty members. The Pharmacy students made use of this session and were very interested to handle interactive software-based patient case scenarios. Use of virtual patient technology allowed for assessment of student competencies and improved learning outcomes.
