

SANTHIRAM COLLEGE OF PHARMACY

Approved by AICTE & PCI, New Delhi - Affiliated to JNTUA, Anantapur
NH - 18, Nandyal, Kurnool District, Andhra Pradesh - 518501.

3.4.1. Extension activities are carried out in the neighbourhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years.

Santhiram College of Pharmacy promotes regular engagement of faculty, students and staff with neighborhood community for their holistic development and sustained community development through various activities. The college motivates the student's social participation and also drives to achieve its goal of providing higher technical education to create equitable society with ethical values. The Institute is conscious of its role in campus community connection, well-being of its neighborhood and has initiated a number of community development activities.

To track the involvement of students in various social activities, the Institute has established a mentoring system wherein each faculty members act as mentor for 15 students. They keep records of their participation in such activities. Faculty advisor has to file the student participation in such extension activities in the respective file.

The college is continuously organizing a number of extensions and outreach activities which are directly connected with students academic, social, cultural, community services etc., and the college management with the help of many voluntary organizations and NGOs organizes the outreach programs.

Our College provides the major extension and outreach programmes organized under the banner of National Service Scheme of the College in collaboration with Santhiram General Hospital, Nandyal and Local NGOs. Our NSS student volunteers visit villages and extend their services regularly by organizing blood donation camp, free eye screening camp, free medical check-up camp, general awareness camp, rally for social awareness, cleaning the nearby villages and surrounding rural areas such as Nerawada, Kowlur, Panyam & Nandyal through National Service Scheme (NSS) Unit.

Exposure to extension and outreach activities sensitize the students towards social issues and also to legal and social remedies for matters like domestic violence, dowry, child abuse, beggars, female child, victims of violence, old and infirm, refugees and displaced persons etc.
