(THEME: “Quit Tobacco To Save Our Planet”)

On the WORLD NO TOBACCO DAY, NSS unit of our institution had organized an awareness programme on May-31st, 2022 (Tuesday) from 03.20 PM to 04.50 PM in SRCP. Students of First year B.Pharmacy and staff members have attended the programme. NSS coordinator Mr. K. Sampath Kumar conducted an awareness programme about lung cancer caused as a result of tobacco. The statistics over the decade surprises the current scenario of tobacco and its impact on human race. Lung cancer and mouth cancer are the results observed due to excess intake of tobacco in the form of smoking and chewing gutka. All the age groups, of which now a day's youth are more passionate and getting addicted to smoking and drugs. The result of smoking in the public area shows effect over the health of women, children and aged people. In view of this government has taken measures by restricting smoking in public areas with display of boards and imposing fine if found smoking. On this particular day awareness and impact of tobacco on human in all forms was delivered, of which few points are identifying the facts about smoking, benefits of quitting smoking, usage of tobacco in any other forms, early diagnosis of cancer, regular usage of medication, precautionary measures, remedies and food diet. NSS volunteers, B.Pharm students were well participated in this event.

On the occasion of world blood donor day, NSS unit of our institution had organized 'Blood Grouping Camp' on June-14th, 2022 (Tuesday) from 10.00 AM to 12.30 PM in SRCP. Students of second year B.Pharmacy along with the faculty members had participated in this programme. Our Principal Sir Dr. C. Madhusudhana Chetty inaugurated the programme. NSS Programme Coordinator Mr. K. Sampath Kumar and Administrative Officer G. Venkateswarlu were attended in inauguration ceremony. We conducted awareness on blood donation to save lives of people, blood products for transfusion and contribution of voluntary, unpaid blood donors to the health system. Later students performed blood grouping tests to the people who come out there. Staff, employees and people from nearby rural villages came for the blood grouping test. Total 80 people have voluntarily participated and get their blood grouping test done. NSS volunteers, B.Pharmacy students and staff were well participated in this blood grouping camp and made it successful.

REPORT

Name of the Program : **Breast Feeding Week**
Organized By : NSS Unit, Santhiram College of Pharmacy, Nandyal in Association
with Santhiram Medical College & General Hospital, Nandyal
Place of the Program : Santhiram Medical College & General Hospital, Nandyal

Breast milk is the natural first food for babies. Breastfeeding is not just good for child's nutritional and immunological needs; it is also good for mothers. It is estimated that improving breastfeeding rates could prevent an additional 20,000 maternal deaths from breast cancer. Although global initiation rates are relatively high, only 40% of all babies fewer than 6 months of age are exclusively breastfed and 45% continue breastfeeding up to 24 months of age. Scaling up optimal breastfeeding could prevent more than 823,000 child deaths each year. According to WHO malnutrition causes one in every three infant deaths in India. Further, 66% of the infant deaths occur during the first year of life. This is often caused by inappropriate feeding practices. Hence the NSS unit, Pharmacy practice department of our college in the endeavor to promote, support and protect breastfeeding has observed World Breastfeeding week and Organized awareness camp on Importance of Breastfeeding from 01st August 2022 to 07th August 2022 at Santhiram General Hospital. The camp was focused on the Working women and women in the adopted village. In this Program Dr.C.Madhusudhana Chetty Principal, SRCP, Dr.R.E.Ugandhar. HOD of Pharmacy practice, SRCP, NSS unit and students are actively participated and gave the awareness to breast feeding women's emphasized on the Nutrients in breast milk, health benefits of feeding, rules of breast feeding, storage and barriers to breast feeding.
