MEMORANDUM OF UNDERSTANDING

Sri Krishnadevaraya University College of Pharmaceutical sciences, Anantapuram, Andhra Pradesh-515003 herein after referred as **FIRST PARTY** (which term context unless otherwise require shall include its representative, successor, of assignee of Second Party)

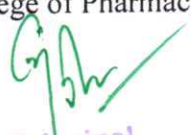

&

Santhiram College of Pharmacy (SRCP), Nandyal-518112, Kurnool, Andhra Pradesh herein after referred as **SECOND PARTY** (which term context unless otherwise require shall include its representative, successor, of assignee of First Party)

Background

a) Sri Krishnadevaraya University College of Pharmaceutical sciences is a self- funding college with a motive to strengthen and upgrade the pharmacy curriculum to produce competent pharmacist workforce which is able to meet the growing demands of the industry and community. As a step towards this, College of Pharmaceutical Sciences was started at the University campus as a constituent college offering Master of Pharmacy Course from the academic year 2008-09, which happens to be the silver Jubilee year of the University for providing pharma education accessible and affordable to the rural people. In this age of continuous technological revolution and to extend the infrastructural, academic and research facilities of the University, ~~three~~ specializations in M. Pharmacy namely Pharmaceutics, Pharmacology, Pharmaceutical chemistry & also Pharmaceutical Analysis are identified to give quality education to the needy and poor people of Rayalaseema region. The college also started B.pharmacy course from the academic year 2011-12 to meet the demands of the Pharma Industries and to provide quality pharmacists to the region and obtained approval by AICTE. Campus placements were also conducted every year for both M. Pharmacy & B. Pharmacy students

MEMORANDUM OF UNDERSTANDING

BETWEEN

SANSKRITI UNIVERSITY (SU), MATHURA, 281401 (UTTAR PRADESH)

AND

**SANTHIRAM COLLEGE OF PHARMACY (SRCP), NANDYAL – 518112
(ANDHRA PRADESH)**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is executed on this 27 day of July 2022 (**hereinafter referred as “the Execution Date”**) by and between

SANSKRITI UNIVERSITY SCHOOL OF PHARMACY (SUSP), established in 2017, having its registered office 28 K. M. Stone, Mathura - Delhi Highway, Chhata, Mathura Uttar Pradesh (U.P.) Pin – 281401 (hereinafter called “**SU**” which expression shall wherever the context so claims include **SU**,

AND

Santhiram College of Pharmacy, Nandyal – 518 112, Karnool, Andhra Pradesh was established in the year 2007 is recognized by AICTE & PCI, New Delhi and having its registered office at Nandyal, Karnool, Andhra Pradesh (hereinafter called “**SRCP**” which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its administrators, executors, successors and assignees).

SUSP and **SRCP** recognize benefits to their respective Institutes/Research Centers from the establishment of collaboration and proceed to have a memorandum of understanding (MoU). These Independent institutions are committed to mutual and common goals of generating new knowledge towards improvement of science and betterment of society.

PREAMBLE

Sanskriti University, School of Pharmacy, is one of the premier Institutions catering quality education in Pharmacy. The University has State of the Art Pharmaceutical Science, Medical and Engineering Laboratories and has already entered into the 4th Industrial revolution Era by starting Machine Learning, Artificial Intelligence, Big data Analytics and IOT in its courses. It has more than 150 patents and more than 1000 highly cited published work in International and National Journals. We will look forward to accomplish the task by creating abundant Resources in terms of Funding and Infrastructure generated by various creativity innovations, patents, consultancies, extra mural research funding, incubation/entrepreneurship & Alumni etc. It is approved by All India Council for Technical Education (AICTE), Pharmacy Council of India (PCI). SUSP Foundation aims to be a catalyst in developing incubation and start-up ecosystem in Gujarat by offering incubation facilities, central instruments facility, mentoring and support for Intellectual Property generation to the aspiring entrepreneurs with novel ideas that can be commercialized.

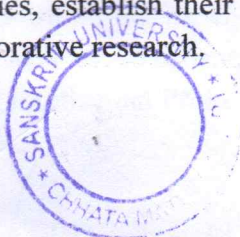

WHEREAS

Santhiram College of Pharmacy (SRCP) was established in the year 2007 by “Vidya Rathna” Dr. M. Santhiramudu, Honourable chairman with a Noble motto of “Education for Peace and Progress” under Sri Shiridi Sai Educational Academy, Nandyal. **SRCP** is a private pharmacy college affiliated to Jawaharlal Nehru Technological University Anantapur (JNTUA) , Ananthapur, and is situated in pollution free campus and spread over 32.04 acres of sprawling multi-institutional campus , with the latest equipment , computer lab and seminar hall along with good library facilities. We are proud to announce that our college is one of best Pharmacy colleges in India with more than 800 Bedded own Santhiram Medical College and Hospital which enables our students to get extremely good pharmacy practices in Hospital. The institution offers B. Pharm (4 yrs.), Pharm D (6 yrs.), and M. Pharm (2 yrs.) courses in four specilizations such as Pharmaceutics, Pharmacology, Pharmaceutical Analysis and Industrial Pharmacy. Running CPCSEA approved animal house with good infrastructure facility. **SRCP** aims to strengthen academia and research through education, training, research, and advocacy/policy initiatives.

The respective Institutes jointly recognize this MoU to mutually cooperate in the areas of Pharmacy and Life Science Education, Research and Development as well as support to research and development.

OBJECTIVES

The primary purpose of this MoU is to build academic research capacity, to promote mutual understanding between the Research establishments at the Institutes as well as for technical support to research. The MoU shall formally set out the terms of cooperative relationship between the parties, establish their respective roles, and facilitate the function of each party in relation to collaborative research.

The parties agree to develop collaborative activities in academic areas of mutual interests, entrepreneurship development and as equal partners with reciprocity.

The development and implementation of specific activities based on MoU shall be negotiated and agreed between individual faculty members and/or through the Heads of the Department/Institute. This MoU is agreed on the basis of cooperation between the parties and includes, but is not limited to, the following aspects:

- a. Utilization of instrumental facilities for research purpose and usage of reference study materials
- b. Organization of common bilateral seminars, and conferences, training programmes or workshops
- c. Conducting research activities in the domain of mutual interest upon collaborative efforts
- d. Conducting colloquiums
- e. Exchange of academic/research information and related materials to facilitate joint publications by collaborating faculty members
- f. Promoting any academic activities of interest based on mutual agreement
- g. Utilization of Library, Laboratory facilities and software, as per agreed terms
- h. Mentoring or Technical support to the incubatees, as needed
- i. Exchange of faculty members/ research scholars /students based on the projects and research needs
- j. Utilization of Animal house after mutual discussion related to cost of proposal.

TERMS OF AGREEMENT

1. The parties will manage their own financial liabilities, aroused out of collaborative academic and research projects.
2. Intellectual Property Rights: IPR titles or ownership of any product, proprietary information or technology tools, processes, utilities, and methodology for any deliverables, new ideas, inventions, or development conceived, developed or made jointly by **SUSP** and **SRCP** under the ambit of this MoU shall remain the property of all the parties, as agreed mutually. This clause shall remain valid even after the termination or expiry of this MoU.
3. In no event shall any party be liable for any indirect, incidental, special consequential damages, including but not limited to loss of profits, revenue, data or use, incurred by the other party in connection with arising out of or under this agreement, save for any such loss suffered resulting from any willful and negligent act or omission of either of the parties.
4. During the tenure of the MoU, the parties agree to respect confidentiality of any work or material provided in confidence. The parties would seek each other's permission before assigning any Intellectual Property Rights to a third party.

5. Neither this agreement, nor any activity described herein shall be construed as creating a partnership, joint venture, agency or other such relationship between the parties and nothing contained herein shall preclude either party from participating/initiating similar relationship with third parties.
6. This MoU may not be amended without the prior written consent of each of the parties.
7. This MoU will come into force and deemed to have commenced from the date of its signing and shall continue for a period of one (1) year from thereof and be automatically renewed for successive period of one year, unless either of the parties notifies in writing to the other party of its intentions to terminate this MoU, ninety days in advance.
8. This MoU is not a legally binding contract and under no circumstances does this MoU subject either parties to liability for breach of contract or any other liability under national or international law or any other applicable law.
9. The parties hereby agree that they are not bound exclusively by this MoU and shall be at a liberty to enter into any separate agreements or arrangements with any third party without reference to the other party.
10. If during the tenure of the MoU any joint program is delayed due to reason of Force Majeure nature such as acts of God, acts of public enemy, acts of government, fire, flood, strike, epidemic and civil commotion, the extension of the joint programs would be mutually decided.
11. Each of **SUSP** and **SRCP** warrant that this MoU is not likely to have any conflict of interest with any of their organizational, financial, contractual or other interests relating to the work under this MoU.
12. **TERMINATION:** If either party fails to fulfill its respective obligations as set out in the previous clauses of this MoU, the parties shall consult each other with a view to correcting the default by the party concerned. If even thereafter the default is not rectified by the defaulting party, then the other party may terminate this MoU by giving ninety (90) days' notice in writing to the defaulting party provided that such termination shall not affect the rights of the parties to the MoU which have accrued prior to such termination.

The Institutes agree to carry out the above-mentioned activities in accordance with laws and regulations of respective institution after full consultation and approvals.

In witness whereof, the parties have executed this document on the day 27th July, 2022.

MEMORANDUM OF UNDERSTANDING

Date from Valid: 8th Jan 2018

TILL 7th Jan 2023

I) Purpose

This Memorandum of Understanding (MoU) establishes policies, procedures and scope for potential collaborative opportunities to enhance exchange of knowledge, expertise and information between the **SANTHIRAM COLLEGE OF PHARMACY**, (herein after called First Party), Nandyal and **INDIAN HEALTHCARE BPO** (herein after called Second Party), Chennai, in areas pertaining to **Medical Coding, Medical Billing, Clinical Research, Clinical Data Management, Pharmacovigilance, Regulatory Affairs, Soft Skills, entrepreneurship and internship programmes**. Through this MoU, both the parties express cooperation in capacity building, skill development, entrepreneurial training and participation in Research and Development.

II) Objective

Both the parties accept and agree mutually to collaborate and facilitate a structured plan in benefits of staff and students for the Santhiram college of Pharmacy, through guest lectures, workshops, training program, projects, internships and **placement**. The sharing of information and knowledge will function under the principles of mutual understanding, common interest and complementary activities in areas of research with mutual interest as result of sharing based on mutual benefits. Both Parties to obtain all internal, permissions, consents, approvals and licenses of whatsoever nature required for offering the program on the terms specified herein.

III) Co-Operation

The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another. Both Parties are shall establish channels of communication and co-operation that will endorse and development their respective operations within the institution and its related wings.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable training systems, considering the needs of the industry.

The general terms of co-operation shall be governed by this MOU. The term of documents shall be mutually decided between the Parties. This MOU shall represent the entire understanding as to the subject matter hereof and shall supplant any prior understanding between the parties on the subject matter hereof.

IV) SCOPE OF THE MoU

The graduates from the institution will be enhanced in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and also exchange of resource materials pertaining to academics, research and workshops.

- **Curriculum Design:** Second Party can give valuable inputs to the First Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- **Research and Development:** Both the organizations will encourage visits and utilization of each other's research and technical facilities as and when required upon mutual consent in research collaboration with publication of research papers in peer reviewed journals.
- **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments and requirements of the industries. The industrial training, visit and exposure provided to students and faculty belongs to the first party through this association will build confidence and prepare the students to have an effective transition from academic to working career.
- **Internship programs, Guest Lectures & Workshop:** Opportunities will be provided for Students and Staff of the first party to undertake projects and summer internship, training programs, workshop, guest lectures and to use the facilities and expertise through lab and field work upon mutual consent.
- **Skill Development Programs:** Encouraging and allowing students to train on the various emerging technologies in order to bridge the skill required and develop them based on for industry requirements if available.

V) Duration and validity:

- This MoU shall be valid for a period **of 5 years** commencing from **08-01-2018 to 07-01-2023**. This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Party, will take effective steps for execution of this MoU. Any act on the part of MOU, the Second Party after termination of this agreement by way of communication, correspondence etc., will not be interpreted as an extension of this MoU.
- Either party may terminate this MoU at any time without liability to the other on prior written notice of two months.

In good faith and in acceptance of all the clauses worded of this MoU.
