## INSTITUTIONAL ANIMAL ETHICAL COMMITTEE

### **Objectives:**

- a) Every experiment shall be performed by or under the supervision of a person duly qualified in that behalf, that is, Degree holders in Veterinary Science or Medicine or Laboratory Animal Science of a University or an Institution recognized by the Government for the purpose and under the responsibility of the person performing the experiment.
- b) That experiments are performed with due care and humanity and as far as possible experiments involving operations are performed under the influence of some anaesthetic of sufficient power to prevent the animals from feeling pain.
- c) That animals who, in the course of experiments under the influence of anesthetics, are so injured that their recovery would involve serious suffering, are ordinarily medically allowed to death while still under influence of anaesthetic.
- d) Those experiments on animals are avoided wherever it is possible to do so.
- e) That experiments on larger animals are avoided when it is possible to achieve the same results by experiments on small laboratory animals like guinea-pigs, rabbits, mice, rats etc.
- f) That, as far as possible, experiments are not performed merely for the purpose of acquiring manual skill.
- g) That animals intended for the performance of experiments are properly looked after before, during and after experiments.
- h) That suitable records are maintained with respect to experiments performed on animals.

### **Functions:**

- ✓ The primary duty of IAEC is to work for achievement of the objectives as mentioned above.
- ✓ IAEC will review and approve all types of research proposals involving small animal experimentation before the start of the study.
- ✓ For experimentation on large animals, the case is required to be forwarded to CPCSEA in prescribed manner with recommendation of IAEC.
- ✓ IAEC is required to monitor the research throughout the study and after completion of study through periodic reports and visit to animal house and laboratory where the experiments are conducted.
