e-GOVERNANCE POLICY

e-governance is the most modern initiative to establish and implement good governance. The governance process is made user friendly, time and money saving; increases transparency, accountability, efficiency and effectiveness of the governing process. It helps in processing and maintainance of large volumes of information such as registration, admission, student information, classes, time table, attendance, library, expenses, examinations, performance, grades, fees details, staff details etc.

Santhiram college of pharmacy is effectively implemented e-governance in different areas of operations like administration, student admission and support, accounts, examinations, library etc.

Website of the institute

The website of the college reflects the activities, achievements and facilities. The official college website- <http://srcpnandyal.edu.in/> is maintained by the committee which includes Principal, examination incharge and academic incharge, which updates regularly with the permission of the principal. The institute's website displays information related to organization, vision and Mission, courses offered, academic calendar, time tables, student support, training and placement, co-circular and extra circular activities, infrastructure and facilities available, R&D services etc.

1. Administration

The administration is run by the aid of softwares i.e., Webpro-
<https://webprosindia.com/shantipharma/main.aspx#> and SRCP stores. The students details are maintained in this database system. The staff updates the students attendance regularly. Staff leaves, ODs and other staff related activities are also maintained. This is used by the academic department to check student's minimum attendance required, students promotion list and marks scored. The SRCP store software is an in house developed software (local sever) maintained by purchase department, that is meant for maintaining all purchases related to chemicals, equipment. It also caters to the issue of chemicals from stores to

different departmental laboratories. Chemicals stock is updated and can be viewed in the status of equipment and chemicals.

2. Finance and Accounts

Tally is the software used for the finance part of the institution. Fee and other expenses are maintained by using this software. In house developed software- SRCP examination portal for online payment of exam fees- <https://exams.srcpnandyal.edu.in/>.

3. Student Admission and Support

The courses offered by the college are displayed in the college website of the college. Matrix and webpros are the softwares used for the student attendance and other academic related activities. Biometric attendance is supported by the Matrix.

4. Examination

The examination section is supported by SRCPEB software- <http://192.168.1.7/SRCPEB/>, an in house developed software which uses the local server. It aids in conducting examinations of the three programs i.e., B.Pharmacy, M.Pharmacy and Pharm.D. , entering internal marks received from the respective staff, uploading external results, preparing backlog status and list of eligible students to be promoted for the next semester. It is also used for the seating plan formats.

ANNUAL E-GOVERNANCE REPORT

2017-18

Santhiram College of Pharmacy (SRCP) IQAC drafted a policy for implementation of E- Governance in various administration and academic activities of the college from the academic year 2017-18 to accelerate college functioning and development in terms of speed, efficiency and reliability.

Implementation of E-Governance in areas of operation

It has been decided to automate all the various operations of the instructions in an integrated manner in order to enable transparency clarity in different functionalities of the instructions pertaining to teaching, learning (Academic), Administration, Examinations, Finance and accounting and Admissions.

In this direction a few vendors/service providers of ERP software are called and quotations are invited as per the recommendation of the IQAC of the institution followed by the directions of the Governing Body suitable ERP has been deployed and put into the appropriate use. Required training has been given for teaching and non-teaching fraternity of the college with a view to get the optional benefits from the software and strangle connect with stakeholders.

Academics & Examinations

For the ERP solutions, the college has initiated its service with ECAP from WEBPROS solutions, Vishakapatnam. After the trail test of the software in the year 2017-18, various modules are given for all the areas of operation.

All the assessment marks have to be uploaded in the automation software which simplifies the work by expanding the analyzing capacity and faster feedbacks. Controller of Examination needs to supervise the entire process of examination under the guidance of the Principal of the college through e-governance.

Administration: Enterprise Resource Planning (ERP) aims at the immediate availability of data in required formats that ease the work of staff and management and increase its transparency and accountability in administration. Facilities should be provided for online leave management of employees, internal communication between the employees, etc. Students also must be able to obtain maximum services like hostel leave approval, bonafide certificates, etc. in online mode.

Accounts: Tally software is being used for maintaining Finance & Accounts. Appropriate security measures should be taken for maintaining confidentiality of the transactions. Training to the existing staff and updation of the existing softwares must be done on a timely basis. The office shall continue with Tally solutions for Finance management.

Website: The website of the college needs to be revamped taking into account the new changes. The website should act as a mirror of the college activities. Information about all activities, important notices, etc. should be made easily available to the outsiders. For this
