Green Campus Policy

Santhiram College of Pharmacy believes that clean, green and pollution free environment provides a serene and pristine backdrop for effective learning. And being eco-friendly is not only a responsibility of the industry and corporate but also education institutions. Green campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly campus.

Objectives:

1. To avoid air pollution in the campus.
2. To avoid the use of polythene and its forms.
3. To promote the greenery in the campus.
4. To lessen the paper use.
5. To maintain tobacco free campus.

Institute implements the following practices towards establishment and maintenance of green campus.

1. Restricted entry of automobiles

- Automobiles are strictly restricted in the campus by providing separate parking areas for two-wheelers and four wheelers in the campus near to entrance.
- And mass transportation of faculty and students by college buses from various locations.

2. Use of Bicycles/ Battery powered vehicles

- Students and faculty are motivated to use the bicycles in the campus by organizing cycle rally and fitness awareness programs by NSS unit.
- Institute has procured battery powered vehicles for transportation in and between the group institutions.
- Students are encouraged to do projects on solar vehicles.

3. Pedestrian friendly path ways

- Wide and neat pathways with trees full of blossoms are maintained.
