13. Certificate of passing examination.— Every student who has passed the examinations for the Pharm.D. (Doctor of Pharmacy) or Pharm.D. (Post Baccalaureate) (Doctor of Pharmacy) as the case may be, shall be granted a certificate by the examining authority.

14. Hospital posting.— Every student shall be posted in constituent hospital for a period of not less than fifty hours to be covered in not less than 200 working days in each of second, third & fourth year course. Each student shall submit report duly certified by the preceptor and duly attested by the Head of the Department or Institution as prescribed. In the fifth year, every student shall spend half a day in the morning hours attending ward rounds on daily basis as a part of clerkship. Theory teaching may be scheduled in the afternoon.

15. Project work.—

(1) To allow the student to develop data collection and reporting skills in the area of community, hospital and clinical pharmacy, a project work shall be carried out under the supervision of a teacher. The project topic must be approved by the Head of the Department or Head of the Institution. The same shall be announced to students within one month of commencement of the fifth year classes. Project work shall be presented in a written report and as a seminar at the end of the year. External and the internal examiners shall do the assessment of the project work.

(2) Project work shall comprise of objectives of the work, methodology, results, discussions and conclusions.

16. Objectives of project work.— The main objectives of the project work is to—

- (i) Show the evidence of having made accurate description of published work of others and of having recorded the findings in an impartial manner; and
- (ii) Develop the students in data collection, analysis and reporting and interpretation skills.

17. Methodology.— To complete the project work following methodology shall be adopted, namely:—

- (i) Students shall work in groups of not less than two and not more than four under an authorised teacher;

**Subject:** Requesting to allow III B.Pharm students for industrial training-reg.

With reference to the cited subject, I am here by forwarding the students list of this institution with good conduct and moral character for industrial training. For the award of B.Pharmacy degree as part of their program curriculum every student should undergo 150 hours of industrial training in not less than one month at a pharmaceutical organization of his/her choice and submit the certificate of industrial training during the final year. I am under opinion that your organization best suits their needs to expose to the real working environment and acquainted with the hand on experience in their related fields so that they can relate and reenforce at the college level. Hence, I hereby recommend them for their industrial training at your esteemed organization from 10.08.2022 to 03.09.2022. they will abide to all the rules and regulations of your organization and regularly attended for the training. This is for your kind consideration and necessary action.

Thanking you.

Sir/madam

**Subject:** Requesting to allow III B.Pharm students for industrial training-reg.

With reference to the cited subject, I am here by forwarding the students list of this institution with good conduct and moral character for industrial training. For the award of B.Pharmacy degree as part of their program curriculum every student should undergo 150 hours of industrial training in not less than one month at a pharmaceutical organization of his/her choice and submit the certificate of industrial training during the final year. I am under opinion that your organization best suits their needs to expose to the real working environment and acquainted with the hand on experience in their related fields so that they can relate and reenforce at the college level. Hence, I hereby recommend them for their industrial training at your esteemed organization from 10.08.2022 to 03.09.2022. they will abide to all the rules and regulations of your organization and regularly attended for the training. This is for your kind consideration and necessary action.

Thanking you.
