THEME 1	IMPACT OF RECENT INNOVATIONS IN DRUG DEVICE COMBINATION PRODUCTS IN VACCINE AND PHARMACEUTICALS
SUMMARY OF THE LECTURE – 1	The lecture began with introduction of the speaker to the participants. The speaker gave in depth information about the injectables, types of injectables, market trends in injectables, drug device combination products, working of DDC, main advantage over traditional injectable, mono dose and multiple dose, customizable injectable, mixjet system, requirements of DDC, standards for DDC. The lecture concluded with the Q&A. All the participants were asked to submit the feedback form in online mode. The lecture lasted for one and half hours.

THEME 1:	PROMISING TRENDS IN PHARMACEUTICAL SCIENCES
SUMMARY OF THE LECTURE – 1	<p>The session started with the read out of biodata of the speaker. The speaker began with the introduction to the drug discovery and development concepts including the prospects and pitfalls of the same. He also elaborated on role of omics in drug discovery. An in depth knowledge about cancer cell cycle along with targets was also presented. Then, proceeded to nano technology and nano medicine. An example of daxorbicin was quoted and its preparation into nano formulation along with the methods, formulation excipients, advantage of the same with respect to conventional formulation, dose reduction was elaborated. Concept of Antibody-drug conjugate: cancer targeted therapy, CAR-T, CSCs targeted therapy, use of CSCs, anti-fibrotic therapy. Study of anti fibrotic therapy in cancer was presented in depth with the proof of concept. The session ended with Q&A and total session was live for one and half hour.</p>

SUMMARY OF THE LECTURE	<p>The Santhiram College of Pharmacy has organized e- Faculty Development Program (Online- Google Meet/ YouTube Live Streaming) on the theme 'Best Practices in Teaching & Research' from September 05th to 07th, 2022 (Monday to Wednesday).</p> <p>We had organized the webinar as per the schedule. There was tremendous response from the participants as the total of 250 members registered for the webinar from various parts of India and above 160 members were participated in the webinar.</p> <p>In the beginning, the Inaugural session was done by Prof. Dr. K. Ravindra Reddy, Professor & Academic Expert and he has delivered keynote address. Presidential address was given by Dr. K. Venkata Ramana, President, APTI, AP.</p> <p>Day1: Mr. D. Maheswara Reddy, Dept. of Pharmaceutics has invited our today's speaker Dr. V. Prabhakar Reddy, Head, University college of Pharmaceutical Sciences, Palamuru University, Mahaboob Nagar, Telangana. He delivered his speech on the topic 'How to become a successful resarcher'.</p> <p>Later session coordinators have felicitated Dr. V. Prabhakar Reddy virtually for his valuable speech.</p> <p>Day2: The second speaker Dr. Ramesh Alluri, Principal, Vishnu college of pharmaceutical education & research, Hyderabad was invited by Dr. P. Praveen Kumar. He has delivered his speech on the topic 'Drug Development & Drug Repurposing: Challenges & Opportunities'. Later he has been felicitated virtually on behalf of SRCP.</p> <p>The third speaker Dr. Y. Padmavathi, Professor, Dept. of Pharmaceutical Analysis, G. PullaReddy college of pharmacy, Hyderabad was invited by Dr. L. Siva Sankar Reddy. She has delivered her speech on the topic 'Novel Spectral Manipulation Approaches in Spectroscopic Methods for analysis of Binary & Ternary Mixtures'. Later she has been felicitated virtually on behalf of SRCP.</p> <p>Day3: Dr. K. Ravi Kumar, Head, Dept. of Pharmaceutics has invited our today's speaker Dr. G. Soma Sekhar, Principal, college of Pharmaceutical Sciences, SK University, Anantapur. He delivered his speech on the topic 'Drug Interactions'.</p> <p>Later session coordinators have felicitated Dr. G. Soma Sekhar virtually for his valuable speech.</p> <p>The fifth speaker Dr. Anantha Naik Nagappa, Professor, school of Pharmaceutical Sciences, Bahra University, Himachal Pradesh was invited by Dr. R. E. Ugandar. He has delivered his speech on the topic 'Community Connect'. Later he has been felicitated virtually on behalf of SRCP family.</p> <p>At the end of the session vote of thanks was given by Dr. L. Siva Sankar Reddy. E-certificates were provided to all the participants.</p>

Two Days National Webinar on 'Clinical Pharmacokinetics & Therapeutic Drug Monitoring – A Rising Field Study in Health Sciences'

ABOUT THE INSTITUTE

Santhiram College of Pharmacy was established in the year 2007 under the aegis of Shirdi Sai Educational Academy Nandyal, with a noble aim of providing Quality Pharmacy Education to the aspirants of this region. Since its inception, Santhiram Pharmacy College has been performing exceptionally well to meet its goal of providing quality Pharmaceutical Education to the Society. It is the dedicated commitment and the efforts of our chairman, "Vidyaratna" Dr. M. Santhiramudu. A Philanthropist, who started the institution with a motto "EDUCATION FOR PEACE & PROGRESS". The College has well equipped laboratories with advanced research facilities. The institution has good number of highly qualified staff as per the norms prescribed by PCI. The pharmacy education needs are increasing in the society. To meet these requirements Santhiram College of Pharmacy is striving to provide the highest standards of quality pharmacy education.

ABOUT THE WEBINAR

Clinical pharmacokinetics is the field that deals with how medications are absorbed, distributed, metabolized, and eliminated from individuals receiving drug therapy. Drug pharmacokinetics are increasingly recognized as important for determining whether a drug is safe for therapeutic usage in humans. To underline and address these safety consequences, regulatory standards for clinical pharmacokinetic data have progressively changed. Actually, the dosage regimens that have been regularly advised have been too high, frequently with adverse effects. Therefore, a core objective must be to create trustworthy dose response relationships (both therapeutic and harmful).

DAY 1

Session	Timings	Topic	Resource Person
1	10:00 AM	Population Pharmacokinetics	Dr. M. Sukulivel Rajan
2	11:30 AM	Design of dosage regimens	Dr. K.P. Arun
3	2:00 PM	Dosage adjustment in Renal and hepatic Disease	Dr. Savitha
4	3:30 PM	Selection of drug based on population	Dr. Jagadeesan

DAY 2

Session	Timings	Topic	Resource Person
1	10:00 AM	Therapeutic Drug monitoring	Dr. K.P. Arun
2	11:30 AM	Physician Theory & Adaptive Method of dosing with feedback	Dr. Savitha
3	2:00 PM	Drug dosing in Specialized population	Dr. Pramod Kumar
4	3:30 PM	Pharmacogenetics	Dr. Ritesh Giri

OUTCOMES OF THE WEBINAR:

Attendees of the program will gain knowledge on current prospects in pharmacy education & research from the highly qualified, experienced professionals of Pharmacy fraternity viz., academics & research. Delegates will be familiar about how to design a dose regimen, various dosing calculations in various populations, dosage adjustments for patients with hepatic and renal disease, population pharmacokinetics, therapeutic drug monitoring and Pharmacogenetics.

WHO CAN ATTEND?

The Webinar is open for the Students, Research Scholars, Faculty Members, Industry and Health Care Professionals.

REGISTRATION FEE:

Category	Registration Fee (INR)
Students	200/-
Research Scholars	
Faculty	
Industry & Health Care Professionals	

Bank Details for NEFT payment:
Name of the Bank : STATE BANK OF INDIA
A/c Name : SANTHIRAM COLLEGE OF PHARMACY
R&D A/c No. : 38049837054
IFSC Code : SBIN0010577
Branch : RGM/CET

REGISTRATION:
Participants are requested to register from the following link
<https://forms.gle/C165BAshU4WtzBk7>

Online Platform:
Google Meet

REPORT

TITLE	'Clinical Pharmacokinetics & Therapeutic Drug Monitoring – A Rising Field Study in Health Sciences'
DATE	20-02-2023 to 21-02-2023
NUMBER OF REGISTRATIONS	212
SUMMARY OF THE LECTURE	<p>Santhiram College of Pharmacy has organized Two Days National Webinar (Online- Google Meet) on 'Clinical Pharmacokinetics & Therapeutic Drug Monitoring – A Rising Field Study in Health Sciences' in Association with International Society for Pharmacoeconomics and Outcomes Research (ISPOR) & Association of Community Pharmacists of India (ACPI), AP State on February-20th & 21st, 2023 (Monday & Tuesday).</p> <p>Conference was organized as per the schedule.</p> <p>On the day-1, 20-02-2023, in the beginning of the session, participants were welcomed by the coordinators Dr. Shaik Muneer and Dr. B. Pradeep and the Inaugural address was given by Dr. C. Madhusudhana Chetty, Principal, and SRCP.</p> <p>Session1: Dr. M. Surulivel Rajan, Professor and Head, Dept. of Pharmacy Practice, Manipal College of Pharmaceutical Sciences, and Karnataka, India was the first speaker of the session. He delivered his speech on the topic 'Population Pharmacokinetics'.</p> <p>Session2: The second speaker Dr. Arun Kanniyappan Parthasarathy, Professor, Dept. of Pharmacy Practice, JSS College of Pharmacy, Ooty, Tamilnadu has delivered his speech on the topic 'Design of Dosage Regimens'.</p> <p>Our Principal Dr. C. Madhusudhana Chetty honoured both the speakers through e-Felicitation for their wonderful speech.</p> <p>Session3: The session was started with a speech by the third speaker Dr. R.S. Savitha, Professor and Head, Dept. of Pharmacy Practice, JSS College of Pharmacy, Mysore, Karnataka on the topic 'Dosage Adjustments in renal and hepatic diseases'.</p> <p>Session4: The next speech by Dr. Jagadeesan Moorthy, Asst Professor, Dept. of Pharmacy Practice, SRM College of Pharmacy, Chennai, Tamilnadu on the topic 'Selection of Drug based on Population'. Later both the speakers were e-felicitated after questionnaire.</p> <p>On the day-2, 21-02-2023, in the beginning of the session, participants were welcomed by the coordinators Dr. Shaik Muneer and Dr. B. Pradeep.</p> <p>Session1: The first speaker Dr. Arun Kanniyappan Parthasarathy, Professor, Dept. of Pharmacy Practice, JSS College of Pharmacy, Ooty, Tamilnadu has delivered his speech on the topic 'Therapeutic Drug Monitoring'.</p>

	<p>Session2: The session was started with a speech by Dr. R.S. Savitha, Professor and Head, Dept. of Pharmacy Practice, JSS College of Pharmacy, Mysore, Karnataka on the topic 'Bayesian Theory & Adaptive Method or dosing with feedback'. After the session questionnaire was held and the speaker clarified questions with well explanation. Later she was e-felicitated by the coordinators.</p> <p>Session3: The session was started with a speech by the third speaker Dr. A. Pramod Kumar, Asst Professor, Dept. of Pharmacy Practice, M.S. Ramaiah University of Applied Sciences, Karnataka on the topic 'Drug Dosing in Specialized Population'.</p> <p>Session4: The last speech by Dr. Ritesh Giri, Asst Professor, Dept. of Pharmacy Practice, M.S. Ramaiah University of Applied Sciences, Karnataka on the topic 'Pharmacogenetics'. Later both the speakers were e-felicitated after the questionnaire.</p> <p>We are thankful to all the speakers for their contribution in the two days National Webinar organized by Santhiram College of Pharmacy, Nandyal. E-Certificates were issued to speakers and all the participants.</p> <p>The Two Days National Webinar was successfully completed with the support of management, Principal and with the team work of coordinators Dr. Shaik Muneer and Dr. B. Pradeep and other organizing committee members.</p>
OUTCOME	<p>The session was very informative for students and faculties. The students and faculties came across Optimized Drug Dosing for Individual Patients, Improved Patient Safety, Enhanced Management of Chronic Conditions Advancements in Precision Medicine and Support for Drug Development and Regulation. Both the students and faculties were much benefited with this seminar.</p>
