## REPORT

Name of the programme : **Breast feeding week**  
Organized By : NSS Unit, Santhiram College of pharmacy, in Associated  
With Santhiram Medical & General Hospital, Nandyal  
Place of the programme : Santhiram Medical & General Hospital, Nandyal

Breast milk is the natural first food for babies. Breastfeeding is not just good for child's nutritional and immunological needs; it is also good for mothers. It is estimated that improving breastfeeding rates could prevent an additional 20,000 maternal deaths from breast cancer. Although global initiation rates are relatively high, only 40% of all babies fewer than 6 months of age are exclusively breastfed and 45% continue breastfeeding up to 24 months of age. Scaling up optimal breastfeeding could prevent more than 823,000 child deaths each year. According to WHO malnutrition causes one in every three infant deaths in India. Further, 66% of the infant deaths occur during the first year of life. This is often caused by inappropriate feeding practices. Hence the NSS unit, Pharmacy practice department of our college in the endeavor to promote, support and protect breastfeeding has observed World Breastfeeding week and Organized awareness camp on Importance of Breastfeeding from 01<sup>st</sup> August 2022 to 07<sup>th</sup> August 2022 at Santhiram General Hospital. The camp was focused on the Working women and women in the adopted village.

In this Program Dr.C. Madhusudhana Chetty Principal, SRCP, Dr.R.E.Ugandhar. HOD of Pharmacy practice, SRCP, NSS unit and students are actively participated and gave the awareness to breast feeding women's emphasized on the Nutrients in breast milk, health benefits of feeding, rules of breast feeding, storage and barriers to breast feeding.

## REPORT

Name of the programme : **NATIONAL EYE DONATION FORTNIGHT**  
Organized By : NSS Unit, Santhiram College of pharmacy, Nandyal  
In Associated with JNTUA, NSS.  
Place of the programme : Santhiram College of pharmacy & Santhiram general  
Hospital, Nandyal

The National Eye Donation Fortnight is observed every year from 25<sup>th</sup> August to 8<sup>th</sup> September. It is a campaign which aims to create mass public awareness about the importance of eye donation and to motivate people to pledge their eyes for donation after death. Blindness is one of the major public health problems in the developing countries. According to World Health Organization, corneal diseases (damage to the tissue covering the front of eye called cornea) are among the major causes of vision loss and blindness after cataract and glaucoma. Approximately 5% of the world's population is blind due to corneal diseases alone.

In India, approximately 68 lakh people suffer from corneal blindness in at least one eye; of these, 10 lakh people are blind in both their eyes. The National Blindness and Visual Impairment Survey 2019 reported that corneal blindness was the leading cause of blindness among patients aged less than 50 years in India, accounting for 37.5% of the cases and was the second leading cause of blindness among patients above the age of 50 years.

In most cases, loss of sight can be corrected through 'Eye Donation'. After the death of a person, various organs can be donated and can be surgically transplanted to the patients who need them. One such organ is the eye. By donating eyes after death, a corneal blind person can see again through a surgical procedure known as corneal transplantation, where the damaged cornea is replaced by a healthy cornea from the eye donor.

Name of the programme : **National Voluntary Blood Donation Day**  
Organized By : NSS Unit, Santhiram college of Pharmacy, in  
Associated with Santhiram Medical College &  
General Hospital-Blood Bank, Nandyal.  
Place of the programme : Santhiram college of Pharmacy, Nandyal &  
Santhiram Medical College & General Hospital

On the occasion of our Prime Minister Sri. Narendra Modi's Birthday on September 17<sup>th</sup>, Union Health Ministry issued a letter to all the states stating that the 'National Voluntary Blood Donation Day' to be conducted from September 17<sup>th</sup> to October 01<sup>st</sup>, 2022. This day aims at spreading awareness about the importance of donating blood and the benefits associated with this noble cause.

NSS unit of our institution has organized 'Blood Donation Camp' in association with Santhiram Medical College and General Hospital-Blood Bank, Nandyal on September-17<sup>th</sup>, 2022 (Saturday) from 10.00 AM to 2.00 PM in SRCP.

Dr. C. Madhusudhana Chetty, Principal, SRCP, Dr. R.E. Ugandar, HOD, Dept. of Pharmacy Practice and Mr. K. Sampath Kumar, NSS Programme Officer inaugurated the blood donation programme.

Students, faculty members and non-teaching staff members have participated in this programme and donated blood. Blood donation took place with nominal procedures. Total of 34 units were collected. Later Certificates were issued for all the donors.

NSS volunteers, students and staff were well participated in this blood donation camp and made it successful.

Organized By : NSS Unit, Santhiram College of Pharmacy, Nandyal in  
association with RGM College of Engineering &  
Technology  
Place of the programme : Santhiram College of Pharmacy &  
RGM College of Engineering & Technology

Santhiram College of Pharmacy has organized 'World AIDS Day' with the theme "Equalize" on December-01<sup>st</sup>, 2022 (Thursday) from 2.20 PM to 4.10 PM in seminar hall, SRCP and in the auditorium, RGM College of Engineering & Technology. This World AIDS Day, UNAIDS is urging each of us to address the inequalities which are holding back progress in ending AIDS. The 'Equalize' slogan is a call to action.

World AIDS Day, designated on 1<sup>st</sup> December every year since 1988, is an international day dedicated to raising awareness of the AIDS caused by the spread of HIV infection and mourning those who have died of the disease.

Dr. P. Praveen Kumar, Professor & HOD, Dept. Of Pharmacology attended the programme and delivered his lecture on AIDS awareness. He discussed on HIV transmission, precautions to be taken, diagnosis, treatment, national & global prevalence rate and clinical trials on vaccines.

Students of Dept. of Civil Engineering, B. Pharm IV Year students and NSS volunteers were participated in this AIDS awareness programme and made it successful.

## REPORT

Name of the programme : **National Deworming Day**  
Organized By : NSS Unit, Santhiram College of Pharmacy, Nandyal in  
associated with JNTUA, NSS.  
Place of the programme : Santhiram College of Pharmacy

Santhiram College of Pharmacy has organized awareness programme on Anthelmintic on 'National Deworming Day' (Jathiya Nulipurugula Nirmulana Karyakramam) in association with Govt. of A. P on March-14<sup>th</sup>, 2023 (Tuesday) from 09.30 AM to 11.00 AM. Faculty members and B. Pharm 1<sup>st</sup> year students have attended this Programme.

Today's speaker has delivered an awareness speech on worms, their effect on human health, dispensing medicines and precautionary & safety measures to be taken. The speaker further added about protection from worms by maintaining hygiene in food, water, hands, body and proper washing of vegetables, fruits and cleanliness in the surroundings.

The awareness programme was successful with the support of programme coordinators and with the active participation of students.
