Approved by AICTE & PCI, New Delhi - Affiliated to JNTUA, Anantapur
NH - 18, Nandyal, Kurnool District, Andhra Pradesh - 518501.

4.2.1 Library is automated using Integrated Library Management System (ILMS)

The Santhiram College of Pharmacy has a library which is monitored through a qualified librarian under the guidance of institutional library committee. It is spread over a carpet area of 182 sq. mt with reading space of 1175 sq. ft.

Library has a rich collection of textbooks, reference books, journals, magazines, CD-ROM's, research reports and online databases. It is aimed to provide to its students and staff a chance to explore world of knowledge in a comfortable environment. The library has reprography facility, internet, journals section, reference section and digital library.

Apart from books relevant to the curriculum, a rich collection of books, magazines, CD's related to general study, research, personality development are also provided for the enrichment of the students.

Preparative materials for the competitive exams like GPAT, PGECET provided in the library to help the students to prepare for higher studies.

The Institute always strives to provide the latest and best collection of books and journals.

Library has facilities for issue, return of books and for maintaining record of books through WEBPROS (ILMS) software to students and staff. Digital Library is also available with facilities such as subscription for e-resources and databases (DELNET, Knimbus, Micromedex) etc to access e journals and e-books. Institute also subscribed for e-sodhsindhu data base system.

Library had per day use of 239.

The details of library facilities are as follows

Details of library:

Number of Volumes: 8199

Number of Titles: 1317

Number of e books: 269 (online) and 308 (off line)

Number of Journals: 30

Number of e-Journals: 200

The library is open from 9.00 AM to 5.00 PM in all working days.

The library is computerized and automated by using the software of WEBPROS. The software has open access to all students, scholars and faculty. We are providing the open access to all students in the campus, the books are barcoded; the process makes easy search of available books.
