Students Representation & Engagement Write description in a maximum of 200 words

An institution can facilitate student representation by including students in administrative, co-curricular, and extracurricular activities

Our institution giving TA, DA and Other Facilities to the Students who are Representing out college in Various Competitions, Conferences, Sports, Etc.,

- **Student council:** Students are represented in the student council, which can help develop leadership skills. The student council can also organize competitions and encourage students to participate in events at other colleges.
- **Class representatives:** Each class has two students who represent academic and non-academic issues to the class teacher or HoDs.
- **Student clubs:** Departments can organize activities through student clubs, which are run by students.
- **Committees:** Students can be included in committees and participate in committee meetings.
- **Cultural and sports committees:** Students can be represented in cultural and sports committees, where they can help organize events.
- **Educational excursions:** Student groups can be taken on educational excursions to places of historical and cultural significance.

Student representation can help students share their ideas, interests, and concerns with the community. It can also help raise funds for institution-wide activities, such as social events, community projects, and reforms
