6.5.1: Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes.

As per the guidelines of NAAC, the Internal Quality Assurance Cell of Santhiram College of Pharmacy (SRCP) was established on 03.08.2017 as an enhancement measure with **Prof. Dr. Siva Sanker Reddy.L** as the coordinator. IQAC is driven by a competent team comprising Principal, Senior Professors, Alumni, Industry Experts, and also students. Chairman/Coordinator of IQAC is part of all major committees and other bodies and extends support to all the academic activities and recommends student centric procedures. The main focus of IQAC is to establish quality metrics consistently in all the initiatives of academic and administrative activities for overall growth of the college. IQAC works on evolving strategies to get rid of the shortage and enhance quality. IQAC is channelizes the efforts of the University towards achieving holistic academic excellence.

IQAC at SRCP has significantly contributed to meet the standards of Institution in the form of formulating and implementing a predefined process for all the activities and made efforts for institutionalizing the quality assurance strategies and processes.

The quality parameters for various aspects of the institution are:

- Admission Quality & Student Profile
- Placement Quality & Admissions for Higher Studies
- Result Analysis & Feedback Analysis
- Participation of student in Guest Lectures/Seminars/Workshops
- Day to day attendance monitoring and follow up
- Success rate of Passed out students & Success in competitive exam
- Awards and recognition received by students
- Alumni Profile/Distinguished Alumni
- Faculty Quality & Quality of Research publications
- Consultancy, Research Projects
- Workshops /seminars /Conferences organized/ participated
- Patents Applied / Awarded
- Books published/Reviewed/Edited
- Awards and recognition to faculty
- Faculty Guiding Ph.D.'s
- No of Collaborations
- Class room, Seminar Halls, Auditorium, Hostel Quality
- Number of ICT Programs

All the academic committees of the institution work together with IQAC. The decisions and suggestions are followed and implemented effectively and they communicate with faculties and students through the head of the respective departments. The IQAC has been instrumental in promoting research through research sensitization programs on improving the quality of publications, citations etc. In order to promote industry interaction, the institute has functional MoU's with industries and students are given exposure to industry practices through industry oriented mini projects, internships and guest lectures by industry professionals. The decisions are forwarded to the management for approval and they also take initiatives to facilitate the development and quality improvement of the environment in the institution.

Internal Quality Assurance Cell (IQAC) Annual Report

2022-23

As a quality enhancement and sustenance measure prescribed by the NAAC, the college established the Internal Quality Assurance Cell (IQAC) of Santhiram College of Pharmacy in 2017. Right from the inception, IQAC has been an integral part in developing a system for conscious, consistent and catalytic improvement in the overall performance of the College. The IQAC is committed towards internalization and institutionalization of quality enhancement initiatives in higher education. It helps the institution in planning and monitoring. IQAC also gives stakeholders including Students, Teachers, Parents, Alumni, funding agencies and Community, a cross-sectional participation in the institution's quality enhancement activities. The academic year 2022-2023 was eventful with new initiatives to promote the quality of academic environment.
