6.5.2: The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through Internal Quality Assurance Cell (IQAC) and records the incremental improvement in various activities

The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms

The institution reviews its teaching learning process, structures & methodologies of operations through Academic Departments. The IQAC is responsible for developing, coordinating and monitoring academic assessment activities to effect improvement in student learning. All the heads of the departments, deans and nominated teachers are members of the Institute Academic Monitoring Committee, chaired by the head, IQAC.

The roles and responsibilities of the committee:

- Plan, monitor and control the academic functioning of all the Departments.
- Introduce innovation in Teaching, Learning and Evaluation practices.
- Recommend additional infrastructural facilities required to strengthen the Departments in view of the changing needs of curriculum or introduction of new disciplines.
- Evolve processes for conducting Academic Audit both at the Institute level and at the Department level.

The College Academic Committee meets every month as a scheduled activity and monitors all the activities.

The Internal Quality Assurance Cell Supports the activity by involving various departments of the institute, and audits the departments as a calendar activity every semester. IQAC also conducts an External Audit for the Academic as well administrative aspects. The institute prompts the departments to implement the recommendations of the Audit Committee.

The IQAC also supports in anchoring the academic review activities such as:

- The Academic Plan is prepared well in advance before the commencement of class work for the Courses.
- Feedback is collected twice in a semester. It is communicated to Faculty and Heads of the Departments and necessary measures are taken.
- Ongoing course review is done by involving students and faculty through class Review Committee Meetings
- Attendance registers are maintained with day-to-day outcome mapping and the delivery mechanism.
- Every Faculty maintains Course files for the subjects

The IQAC of the institute also reviews the assessment of teaching learning outcomes through:

- Course end survey which is collected after a semester course for every subject.
- Course outcome analysis for each course after completion of the semester which incorporates the input collected from course end survey also.
- Result analysis every semester.
- Program assessment for the graduating batch. The Learning outcomes of program (POs) are assessed through curricular and co-curricular activities.
- Regular monitoring of individual student's attendance is submitted to the principal every day.
- Performance of the students is continuously evaluated by the student counselors and mentors
- Semester wise performance and results were compared and analyzed with other University affiliated colleges.
- Separate students counseling is available which advises each student individually.
- Detailed course handout is prepared in unit wise order, as per the prescribed syllabus.
- Lab manuals are prepared by the faculty and made available to the student in printed format.
- Special training programs were organized for the students to improve their communication skills, soft skills, leadership qualities etc.
- The performance of the students in the periodical tests and remedial measures for the slow learners was discussed.
- Industrial internships were planned for the students to facilitate the practical learning.
- Participation of National and International technical events was encouraged to get exposure.

All the suggested changes in the curriculum by the departments and their DAC are put forth to the University Bos for approval.

OUTCOMES

- Exit survey has helped in revising the curriculum according to the needs of the present Day.
- Alumni feedback has helped in refinement of curriculum.
- Inclusion of value added courses, training programs, finishing school led to better placements.
- The revised curriculum has enabled the students to gain admission in Premier Institutions.
- The Institute has been accredited by NAAC with A+ in 2022.

Important Instructions

- The NTA Score of a candidate indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw marks) that candidate in that session.
- The NTA scores of a Candidate have been calculated as follows:
 $100 \times \frac{\text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$
NTA score is not the same as percentage of marks obtained.
- A National Merit Ranking (All India Rank) has been arrived on the basis of NTA Score.
- Candidates having same Score shall be listed in a chronological (ascending) order as per their date of birth.
- Candidates having same score would be given the same Merit, and the Merit number would be increased by the same number i.e. if there are two candidates at Merit 2, Merit 3 would not be awarded to the next candidate but Merit 4 would be given.
- The admission authorities are advised to use score awarded to the students for allotment of seat in the AICTE approved programs along with the other criteria that may exist, as applicable.
- Candidate's particulars including Category and Person with benchmark Disability(PwBD) have been indicated as
