7.1.1: Measures initiated by the Institution for the promotion of gender equity during the year

Objectives:

Santhiram College of Pharmacy nurtures students to be technically competent and ensures students are aware of social and civil responsibilities. The institute is perceptive to gender issues and with regard to sexual harassment, it has zero-tolerance. Women's safety and security is one of the priority areas for the institute. Women empowerment is an integral culture that is visibly seen in the number of women in leadership roles. The gender equity program will make the women aware of their rights, opportunities and making them strong both mentally and physically.

At SRCP students of both the gender have equal opportunities to develop to their optimum potential. Some of the efforts made by the institute to promote women empowerment are highlighted below:

The annual gender equity and sensitization action plan is prepared in advance that includes the curricular and extra-curricular initiatives which are planned and executed. The institute arranges special programs, especially during International Women's Day, wherein female students and staff take part in large numbers. During these programs experts are invited to sensitize female students and staff about various relevant issues concerning women.

Institution had given equal importance in recruitment process and in conducting events and activities, with equity concept. Female staff are actively involved in coordinating the woman cultural activities, provide counselling to the girls through effective mentor mentee system and built up confidence among the students, motivate them in participating sports, cultural events and other activities. The institute had given an equal importance in selection of class representatives from boys and girls of each class and sections. Awareness programmes on women empowerment-Disha app awareness entrepreneurship and safety aspects are conducted as a routine practice to give a note and role in the society.

Sessions on 'Personal Hygiene & Cleanliness among female students', 'Education about Cervical Cancer & Breast Cancer' etc. were organized in recent past. Counseling Cell, organized program on "Women's Health & Well-being" exclusively for the female faculty members and Students.

The counselling cell of the institute has recently initiated an awareness campaign for all female hostellers in the campus. The primary aim of these awareness campaigns is to promote overall

Programme report BREAST FEEDING WEEK

Theme: Step up for Breastfeeding - Educate and Support

Dates: 01-08-2022 to 07-08-2022

Venue: Santhiram General Hospital

Organized by: Santhiram General Hospital in association with Dept. of Pharmacy practice and NSS Unit, Santhiram College of Pharmacy

REPORT ON BREASTFEEDING AWARENESS PROGRAMME

Breast milk is the natural first food for babies. Breastfeeding is not just good for child's nutritional and immunological needs; it is also good for mothers. It is estimated that improving breastfeeding rates could prevent an additional 20,000 maternal deaths from breast cancer. Although global initiation rates are relatively high, only 40% of all babies fewer than 6 months of age are exclusively breastfed and 45% continue breastfeeding up to 24 months of age. Scaling up optimal breastfeeding could prevent more than 823,000 child deaths each year. According to WHO malnutrition causes one in every three infant deaths in India. Further, 66% of the infant deaths occur during the first year of life. This is often caused by inappropriate feeding practices. Hence the NSS unit, Pharmacy practice department of our college in the endeavor to promote, support and protect breastfeeding has observed World Breastfeeding week and Organized awareness camp on Importance of Breastfeeding from 01st August 2022 to 07th August 2022 at Santhiram General Hospital. The camp was focused on the Working women and women in the adopted village.

In this Program Dr.C.Madhusudhana Chetty Principal, SRCP, Dr.R.E.Ugandhar. HOD of Pharmacy practice, SRCP, NSS unit and students are actively participated and gave the awareness to breast feeding women's emphasized on the Nutrients in breast milk, health benefits of feeding, rules of breast feeding, storage and barriers to breast feeding.

Programme Report

International Women's Day

Date: 08-03-2023

On the occasion of International Women's Day (8th March) our institution had organized a programme on March-7th -2023 (Tuesday) from 1.30 PM to 5.00 PM.

Programme was conducted as per the schedule. Today's Chief Guest Dr. A. SailaKumari, M.Sc., M.Phil., Ph.D., Assistant Professor, Dept. of Mathematics, JNTUA College of Engineering, Anantapur, had delivered her speech on today's occasion with the theme of 'DigitALL: Innovation and Technology for Gender Equality'. She highlighted the role of woman in the current society. She further added importance of job to every woman. Later she distributed prizes to the students who won in the activities those were held on National Pharmacy Education Day.

Mrs. S. Parveen had delivered her speech on woman's role addressing all the girls. Later Dr.C. Madhusudhana Chetty, Principal, SRCP had delivered his speech on this occasion. He further highlighted on critical thinking abilities and decision making.

At the end of the programme, Principal Dr.C. Madhusudhana Chetty felicitated our today's Chief Guest Dr. A. SailaKumari. Few activities and cultural were conducted to the girls on this occasion.

We are thankful to our Chief guest for gracing today's programme and all actively participated students for making this programme successful.
