#### SUBJECT: HANDS-ON TRAINING 2D ECHO ONE-WEEK PROGRAMME

Dear Pharm.D III, IV, V&VI Students,

This circular is to inform you about a past Hands-on Training 2D Echo One-Week Programme that took place from August 4-8, 2023. This programme was designed to provide Pharm.D students with practical experience in 2D echocardiography. organize a Certificate training program on 2D- echocardiography; by the resource person: **Mr.T.Ravikumar** , echocardiographer Santhiram Medical College, Nandyal-A.P.

The programme covered a range of topics, including:

- Introduction to 2D Echo
- Basic Echocardiography Principles
- Cardiac Anatomy and Physiology
- Doppler Echocardiography
- Clinical Applications of 2D Echo

The programme was led by a team of experienced instructors, including Ravikumar.

We hope that this programme was beneficial to all Pharm.D students who participated.

## HANDS-ON TRAINING: 2D ECHO ONE-WEEK PROGRAMME

### PROGRAMME REPORT

**Date of Programme:** August 4-8, 2023

**Target Audience:** Pharm.D, III, IV, V&VI Students

Department of Pharmacy Practice, Santhiram College of Pharmacy, Nandyal-A.P., In association with the Department of Pharmacology, Santhiram Medical College, Nandyal-A.P., organized a Certificate training program on 2D- echocardiography; by the resource person: Mr. T.Ravikumar, echocardiographer Santhiram Medical College, Nandyal-A.P.

The program was held for one week as per the schedule involving Pharm.D students with 117 students of all four classes. For the entire batch of 117 students, the program was conducted for a duration of six days, each day with six face-to-face contact hours to sum up the total to 30 hours. All 117 students actively participated and satisfactorily completed the program which enabled them to understand and learn all the objectives.

#### **Programme Objectives**

- To introduce students to the basic principles and techniques of 2D echocardiography.
- To enhance students' knowledge of cardiac anatomy and physiology.
- To develop practical skills in acquiring and interpreting basic 2D Echo images.
- To foster an understanding of the role of echocardiography in the diagnosis and management of cardiovascular diseases.
- To familiarize students with the clinical applications of 2D Echo in pharmacy practice.

## SANTHIRAM COLLEGE OF PHARMACY

Approved by AICTE & PCI, New Delhi - Affiliated to JNTUA, Anantapur  
NH - 18, Nandyal, Kurnool District, Andhra Pradesh - 518501.

### Methodology

The programme consisted of a combination of theoretical lectures, practical demonstrations, and hands-on training sessions.

- **Lectures:** Covered topics such as:
  - Introduction to 2D Echo
  - Basic Echocardiography Principles
  - Cardiac Anatomy and Physiology
  - Doppler Echocardiography
  - Clinical Applications of 2D Echo
- **Demonstrations:** Experienced sonographers demonstrated 2D Echo procedures on phantoms and volunteers.
- **Hands-on Training:** Students had the opportunity to perform basic 2D Echo scans under the guidance of instructors.

### Key Observations

- **Student Engagement:** Overall, student engagement was high throughout the programme.
- **Learning Outcomes:** Students demonstrated a significant improvement in their understanding of 2D Echo principles and techniques.
- **Practical Skills:** Students developed basic skills in acquiring and interpreting 2D Echo images.
- **Clinical Relevance:** Students were able to connect the learned concepts to real-world clinical scenarios and their role as pharmacists.

## SANTHIRAM COLLEGE OF PHARMACY

Approved by AICTE & PCI, New Delhi - Affiliated to JNTUA, Anantapur  
NH - 18, Nandyal, Kurnool District, Andhra Pradesh - 518501.

- **Feedback:** Preliminary feedback from students indicated high satisfaction with the programme content, delivery, and instructors.

### Challenges

- **Limited Hands-on Time:** Due to the condensed nature of the programme, limited time was available for hands-on practice for each student.
- **Equipment Availability:** Ensuring adequate access to 2D Echo equipment for all students during the practical sessions presented a minor logistical challenge.

### Recommendations

- **Increased Hands-on Time:** Consider increasing the duration of the practical sessions to allow for more extensive hands-on experience for each student.
- **Simulation-Based Training:** Incorporate simulation-based training using virtual reality or computer-based simulators to enhance practical skills and minimize the limitations of equipment availability.
- **Advanced Topics:** Explore the possibility of offering advanced modules on specific topics within 2D Echo, such as stress echocardiography or 3D echocardiography, for interested students.
- **Continuing Education:** Encourage students to participate in continuing education courses and workshops on echocardiography to further enhance their knowledge and skills.

### Conclusion

The Hands-on Training 2D Echo One-Week Programme provided a valuable learning experience for Pharm.D students. The programme effectively introduced students to the principles and applications of 2D Echo, enhancing their understanding of cardiovascular diseases and their role in patient care.

A week-long CPR Awareness Program was successfully conducted from 04-12-2023 to 08-12-2023 to enhance the knowledge and skills of Pharm.D, III, IV, V&VI in life-saving techniques. The program aimed to empower individuals to respond effectively to cardiac emergencies and other medical crises.

Department of Pharmacy Practice, Santhiram College of Pharmacy, Nandyal-A.P., in association with the Department of Pharmacology, Santhiram Medical College, Nandyal-A.P., organized a Certificate training program on "CPR Awareness program" by the resource person: Dr. G.Vijaykumar, Professor and HoD, Department of General Medicine, Santhiram Medical College, Nandyal-A.P.

The program was held for one week as per the schedule involving III, IV, V& VI Pharm.D students with 117 students of all four classes. For the entire batch of 117 students, the program was conducted for duration of six days, each day with six face-to-face contact hours to sum up the total to 30 hours. All 117 students actively participated and satisfactorily completed the program which enabled them to understand and learn all the objectives

### **Key Activities and Achievements:**

#### **1. Introductory Session:**

- A comprehensive overview of CPR and first aid principles was presented.
- The importance of early intervention in cardiac emergencies was emphasized.
- Basic life support techniques, including chest compressions and rescue breathing, were demonstrated.

#### **2. Hands-on Training:**

- Participants actively engaged in hands-on practice using CPR manikins.
- The correct techniques for chest compressions and rescue breathing were reinforced.
- The use of Automated External Defibrillators (AEDs) was demonstrated and practiced.

#### **3. Scenario-Based Training:**

- Real-life scenarios, such as choking emergencies and cardiac arrest, were simulated to enhance practical skills.
- Participants were encouraged to apply their knowledge and skills in a controlled environment.

#### 4. Certification:

- Upon successful completion of the program, participants received a CPR certification.

#### 5. Post-Training Evaluation:

- A brief evaluation was conducted to assess participant satisfaction and knowledge retention.
- Feedback from participants was collected to identify areas for improvement in future programs.

#### Recommendations for Future Programs:

- **Regular Refresher Courses:** Organize periodic refresher courses to maintain skills and knowledge.
- **Advanced Training:** Offer advanced training for interested individuals, such as Pediatric CPR and First Aid.
- **Community Outreach:** Collaborate with local organizations to conduct community CPR training programs.
- **Technology Integration:** Utilize virtual reality and simulation tools to enhance training experiences.

## REPORT

Name of the programme : **International Yoga Day**  
Organized By : NSS Unit, Santhiram College of Pharmacy, Nandyal in  
Associated with JNTUA, NSS.  
Place of the programme : Santhiram College of Pharmacy

On the occasion of International Yoga Day, NSS unit of our institution has organized 'Yoga Programme' with the theme "Yoga for Vasudhaiva Kutumbakam" on June-21<sup>st</sup>, 2023 (Wednesday) from 10.45 AM to 11.45 AM in SRCP open auditorium.

Students of first year Pharm.D and faculty members had participated in this programme. NSS Programme Officer K. Sampath Kumar and coordinator N. Yella Subbaiah were attended in this programme.

Mr. M. Nageswara Rao, Yoga Practitioner (PG Diploma in Yoga) came as Guest to take Yoga class on this occasion. He started the session with a prayer song. He has delivered an awareness speech on Yoga, Meditation and Pranayama (Breathing Exercises). He suggested the students to make yoga daily routine in everyone's life.

Later, he taught various yoga asanas and students performed the asanas well following his instructions.

NSS volunteers, Pharm.D first year students and staff were well participated in this Yoga programme. We are thankful to Yoga Guru for teaching us various yoga asanas.

## REPORT

Name of the programme : **"World Breast feeding week"**

Organized By : NSS Unit, Santhiram College of pharmacy, in Associated  
With JNTUA, NSS

Place of the programme : Santhiram College of pharmacy, Nandyal

Theme : Enabling Breast feeding: Making a difference for working  
Parents

Breast milk is the natural first food for babies. Breastfeeding is not just good for child's nutritional and immunological needs, it is also good for mothers. It is estimated that improving breastfeeding rates could prevent an additional 20,000 maternal deaths from breast cancer.

According to WHO malnutrition causes one in every three infant deaths in India. Further, 66% of the infant deaths occur during the first year of life. This is often caused by inappropriate feeding practices. Hence the NSS unit, Pharmacy practice department of our college in the endeavor to promote and support breastfeeding and has observed world breastfeeding week and organized awareness camp on importance of breastfeeding from 01<sup>st</sup> August 2023 to 07<sup>th</sup> August 2023 at Santhiram General Hospital. The camp was focused on the working parents.

In this Program Sk. Parveen, Dr. C. Bhargav Reddy, K. Sampath Kumar, NSS program officer, Dr. R.E. Ugandar. HOD of Pharmacy practice, Dr. C. Madhusudhana Chetty, Principal SRCP, Pharm.D students and NSS volunteers were actively participated and gave awareness on importance of breast feeding, women emphasized on the nutrients in breast milk, health benefits of feeding, myths & facts of breast feeding, storage and barriers to breast feeding. In this one week programme awareness, charts & posters presentations and bed side counseling were done by our students.
