free and save the life of all animals. In this year we had visited nearby schools and colleges to create an awareness among the students regarding restricted use and proper channels in disposing of the used plastic. We had conducted Rally within the campus and streets to create awareness in the public. Swachha Bharath Programme initiated by our Prime Minister Narendra Modi our institution is conducting the program every year to maintain campus clean and green. NSS hands are extended to give their service in public places also and educate the street food shops to utilize the proper channels of used papers and wastage.

4. Landscaping with trees within the campus is encouraged and actively involved in the plantation of tree variety plants on several occasions. The plantation program is conducted where a tree is planted by the guests visiting the campus, by the students and by the staff within the camps and off the campus. As a part of NSS activity every year on World Environmental Day conducted on June-5<sup>th</sup> Plantation programme will be conducted in and out of the campus. On the name of Haritha Haram campus Plantation will be carried out by the students on the high way roads and steps are initiated that every student should Plant in and around of their houses and also on the roads near to their houses Planation is carried. Pledge taken up by the staff and students to protect the plants and trees and save the environment. Also to maintain greenery plants are cultivated in the campus. Within the Campus Gardeners are appointed to take care of the cultivated plants and tress daily activities of providing Water, Spraying Insecticides to protect from Bacteria and fungal growth. Fertilizers like Urea, Salt, Zinc Calcium will be provided for good growth of trees and plants.
