NATIONAL SCIENCE DAY

THEME: Scientific Approaches for Quality Education

Date: 28-02-2023

Santhiram College of Pharmacy has organized National Science Day for B.Pharm and M.Pharm students on Feb-28th, 2023 (Tuesday) from 10.00 AM to 5.00 PM. Students along with staff members attended the Programme at Seminar Hall, SRCP.

In the remembrance of Sir C.V. Raman's birthday, our institution has celebrated National Science Day with the theme of Scientific Approaches for Quality Education.

In view of this all the Doctorates are recognized as Scientists for their research contribution from AD Scientific Index with world scientists and University rankings. Our Chairman Dr. M. Santhiramudu felicitated each doctorate in this regard and motivated the students to think in research point of view.

Dr. L. Siva Shankar Reddy, HOD, Dept. of Pharmaceutical Chemistry delivered a speech on today's theme of National Science Day.

Later, Pharma expo was held in our college, where all the pharma instruments, principle and working procedures were explained to the students. All the students gained knowledge regarding the instrumentation.

In the valedictory, our principal Dr. C. Madhusudhana Chetty Sir along with HOD's felicitated the staff members who have done publications, patents, books and book chapters. He further delivered a speech to motivate students to do research in their future.
