

## About the College

Sri Shiridi Sai Educational Academy, Nandyal, established in 2007, sponsors a group of educational institutions with a commitment to quality education. Santhiram College of Pharmacy (SRCP), founded under its aegis in the same year, aims to provide high-quality pharmaceutical education. The college offers B.Pharm, Pharm.D, and M.Pharm programs in Pharmaceutics, Pharmaceutical Analysis, Pharmacology, and Industrial Pharmacy. SRCP is accredited by NAAC with an A+ grade (CGPA 3.35) and received autonomous status from UGC and JNTUA for 10 years (2024-2034). It is recognized under Section 2(f) of the UGC Act and has an approved Animal House Facility under CPCSEA. The institution has applied for permanent affiliation with JNTUA and has been awarded a Certificate of Appreciation by the Quality Assurance Cell, Andhra Pradesh State Council of Higher Education. Additionally, it holds ISO 9001:2015 certification, ensuring high academic and research standards. Kindly visit our website <http://www.srcpnandyal.edu.in> for more details.

## About the Association

The Association of Pharmacy Professionals (APP) is a network of over 2000 members, including students, teachers, researchers, and industry experts, dedicated to advancing pharmacy education and research. APP bridges technical institutes, industries, and healthcare sectors to underserved areas, promoting academic, research, and health initiatives. It also upholds social responsibilities and enhances knowledge sharing. Visit [www.appconnect.in](http://www.appconnect.in) for more details.

## About the Seminar

Drug design focuses on creating new medications by targeting biological systems, while drug development brings these discoveries to market. Medicinal and pharmaceutical chemistry integrate chemistry and pharmacology for drug synthesis and development. Medicinal chemists work on both natural and synthetic drug compounds. Pharmaceutical sciences play a crucial role in drug formulation, manufacturing, and medical applications. The conference will feature experts addressing key pharmaceutical challenges.

Pallavaram, Chennai, Tamil Nadu

### **Prof. A. MURALIDHAR RAO**

Principal, St. Mary's College of Pharmacy,  
Secunderabad, Telangana

Research/ Review papers may be accepted from the following areas

1. Novel Synthetic methods
2. In-silico docking studies
3. Biological activity studies
4. Novel formulation and evaluation of APIs
5. Novel analytical techniques-method development and validation of drugs and chemical substances
6. Pharmacognostic studies of plant drugs
7. Pharmacological studies of different compounds
8. Diagnostic methods for disease identification
9. Green methods for synthesis of compounds
10. Novel catalysts used in synthesis
11. Novel drug delivery systems
12. Targeted drug delivery
13. Reporting of adverse reactions
14. Reporting of ADR
15. Pharmacovigilance, Clinical Research & Pharmacoeconomics

## **Abstract Submission Guidelines**

The participants are invited to present original research and review papers. The abstract should not be exceeded 250 words and should be submitted through mail.

Abstract includes the Title, Authors' Names with Affiliation, Objectives, Methodology, Results and Discussion. Font – Times New Roman & Font Size – 12. Presenting Author name should be in bold letters. Abstract should be sent to
